International Disaster & Austere Medicine Conference

September 21-24
Mammoth Lakes, California

TRAIN HARDER • DEPLOY FASTER • SAVE MORE LIVES

Geoffrey Tabin, M.D.

Professor of Ophthalmology and Visual Sciences, John E. and Marva M. Warnock Presidential Endowed Chair, and Co-Director of the Division of International Ophthalmology at the University of Utah's John A. Moran Eye Center. He has traveled the world extensively conducting sight restoring surgeries and training local doctors. In 2009, Dr. Tabin was named an "unsung hero" by the Dalai Lama for his dedication to eradicating unnecessary world blindness and implementing a model for sustainable ophthalmic care in the developing world. An avid mountaineer, Dr. Tabin was the fourth person in the world to climb the "7 summits," the highest point of all seven continents.

"The most interesting, most gratifying, most intense training I have ever done in my entire career." – Kathryn Erickson, RN, EMT
